Plastic Never Goes Away
Ideas for Decreasing the Use of Plastics

Reduce, Reuse, Refuse!

• Stop Buying Beverages in Single Use Plastic Containers
• Stop Buying Bottled Water; Use Refillable Glass or Stainless Steel Water Bottles
• Refuse Straws
• Refuse Styrofoam
• Refuse Plastic Bags; Use Paper or Cloth Bags
• Buy Fewer Products Packaged in Plastic
• Use Glass or Ceramic Food Storage Containers
• Use Wax Paper or Aluminum; Minimize Use of Plastic Wrap and Ziplock Bags
• Buy Toothpaste and Personal Care Products With Natural, Biodegradable Ingredients; Avoid Products Containing Plastic Micro-Beads

More Ways You Can Help…

• Be Mindful of the Plastics You Are Using in Your Everyday Life
• Pick Up Plastic When You See It and Dispose Of It. Volunteer For Clean-Up Efforts
• Put Pressure on Manufacturers to Stop Using Plastic and Find Alternatives
• Support Companies That Use Sustainable Packaging and Materials
